Welcome to GV!

"It is my pleasure to introduce you to GV Malta English Centre and our GV Summer Camp.

GV Malta English Centre is a boutique family run English language school, open all year round and located close to the sea in St. Paul's Bay.

GV Summer Camp is our young learner residential school, for ages 10-17 and is located in a peaceful area of Rabat.

For more than 20 years, GV has prided itself in welcoming a rich variety of nationalities. In 2019, we had students from over 40 different countries.

We are known for our personalised and professional approach, caring staff and relaxed and friendly atmosphere, which attracts returning students year after year.

Our school offers modern facilities, interactive whiteboards in all classrooms and fully qualified and dedicated English teachers.

Gaby Huhn Privitera, Managing Director

Students from as young as 4 may choose from a variety of English language short and long-stay courses all tailor-made to suit their learning needs.

GV Residential apartments, Hortensia and Portobello are within walking distance of the main school.

Our mission is to provide high quality English language instruction using the latest technology to all individuals who have chosen English as their medium of communication for academic or professional pursuits and to promote international and intercultural understanding.

Our vision is to remain a leading institute by setting standards of excellence in innovative curriculum design, teaching, professional development, and cross-cultural understanding.

On behalf of myself, the Directors and our dedicated GV Team, we look forward to welcoming you all to GV Malta for a truly memorable experience."

About GV Malta

Our Academy

Established in 1999, GV Malta is based within a beautiful Maltese villa situated 150 metres away from the sea.

With a capacity of 100 students on average our school size enables us to offer a more personalised service, where our students are not just a number but we get to know them by name.

Our Camp

GV Summer Camp was launched in June 2016, in the beautiful area of Tal-Virtu, Rabat. With an average of 90 students per week enjoying our Residential packages, this has been a huge success.

GV Team

We have a very professional and friendly team who take great interest and pleasure in ensuring that every student's stay and course are not just memorable, but also fun.

All our teachers are highly-qualified and experienced speakers of English. They are fully trained in the use of interactive whiteboards (IWBs) and have on-going support from our Director of Studies. GV Malta believes in Continuous Professional Development in all areas of academic teaching and methodology.

Teaching and Learning through Interactive Technology

Established as an exciting and enjoyable language school of excellence, GV Malta has evolved into an academy of the English language with a personalised boutique atmosphere. We have listened and learned much from our students and their individual requirements and aspirations, which is why we continually invest in the best teachers and administrative team, as well as the latest technology, software, hardware and audio-visual teaching and learning tools.

Teaching and learning go hand in hand and are most effective when it's fun.

What's included in your course

- Welcome Pack
- Student Handbook
- Student Map
- Student Card
- First Day orientation
- Course Material (Photocopies)
- Use of interactive whiteboards
- Use of self-study area
- FREE internet café
- Free WIFI
- GV Malta School branded gift
- Certificate of Course Completion

The exchange should be beneficial, enjoyable and valuable, allowing students to broaden their horizons, travel and use their new language skills to communicate more confidently.

Interactive whiteboards (IWBs) are a specialised and motivational teaching and learning tool, supporting whole class, small group and personalised teaching with the ultimate goal of improving student achievement.

We believe in a focused, assertive and attention-to-detail approach to our educational classes at GV Malta, and our interactive whiteboards are very popular among students and teachers alike.

Young Learners

Young Learners Club, consisting of 20 lessons (15 hours) per week, is a fun course emphasising spoken and communicative activities. Two 15-minute supervised breaks included daily.

Students work on projects and posters, display their own handcrafts, take part in role plays, and produce/listen to stories. Lessons are built around exciting themes, where a different topic is presented each day to introduce new vocabulary, using everyday English. These lessons can also include reading and writing exercises depending on student ages and skills.

Interactive Whiteboards are used to inspire and engage the students with their teacher and peers, while exploring the English language.

This is a truly effective and fun way to learn English.

10-17
Years

Teens Club

Teens Club, consisting of 20 lessons (15 hours) per week, is designed to increase the students' confidence, ability to express themselves and improve fluency by using English in everyday situations. Two 15-minute supervised breaks included daily.

Lessons focus on developing the four key language skills: speaking, listening, reading and writing and systems: grammar, vocabulary, functional language and pronunciation. We offer weekly projects where students choose an interesting topic which they would like to work on, spend some time every day working on it and at the end they present their work in front of an audience. Here are some project ideas: Create a Perfect Town or City, Lip Dub of a Song, Typical Food, Creating a Brochure or a Magazine, Interviewing School Celebrities and many more.

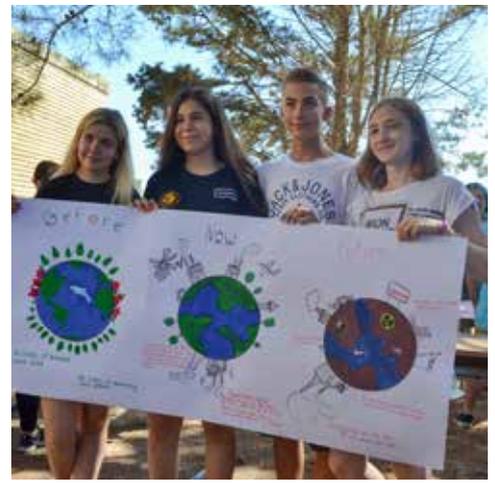

Our fully-qualified teachers use tailor made teaching materials for Interactive Whiteboards to make learning fun using the Internet, teamwork and language competitions.

Adult Courses

COMMUNICATIVE ENGLISH 10

This course is ideal for students wishing to practise their conversational skills and expand their vocabulary without focusing specifically on grammar.

GENERAL ENGLISH 20

This course aims at developing general English skills needed by students for everyday situations, for work, study or travel. Grammar and language structure, speaking and listening, reading and writing, vocabulary and conversational skills are the key elements that make up this very popular course.

Interactive whiteboards are used throughout this course, bringing the fun back into learning. Specially designed digital i-Pack course material suitable for interactive whiteboards are prepared for this course, planned around relevant topics, exercises, images and instantly downloadable 'real life' video clips.

BEGINNER'S MINI GROUP 20

This course consists of four lessons per day and is perfect for those students who have little or no knowledge of English and require initial guidance into the language. New grammar, vocabulary and all language skills are introduced to increase confidence and to encourage the student to continue learning English.

GENERAL ENGLISH 30

In addition to the General English 20 course, students who follow this intensive option are offered two additional lessons per day dedicated to oral fluency, pronunciation, vocabulary building and listening practice in order to improve their confidence in all areas of the English language. Students are also encouraged to discuss and debate a wide range of topics. The aim of this course is to help students to communicate, and emphasis is placed on encouraging fluency.

ACADEMIC YEAR

Academic Year consists of a minimum of 20 weeks, offering students the opportunity to choose between 20 or 30 lessons per week to increase their overall fluency and understanding of English. Students are able to make new friends from all over the world and improve their career prospects. Academic Year is steadily becoming a more popular course and is excellent value for money. (Please refer to our Long-Stay Special Packages)

Making International Friends

PRIVATE AND SEMI-PRIVATE COURSES

The quickest and most intensive way to learn and improve language skills. Teachers plan the lessons around the student's personal needs, just perfect for students who wish to make maximum progress within a short time. Semi-Private is a course where two students of the same level of English require lessons together. Both courses cover all subjects from General English, Business English, through to ESP and are available to all ages and levels and can also be combined with other courses.

COMBINATION COURSES

Combi courses are ideal for those students who would like to combine two different courses, such as General English and Business English for work purposes or a group course plus one-to-one learning to focus on their own specific language needs, such as extra work on grammar or conversational skills.

GV Malta offers 5 options at discounted prices:

- General English 20 + Business English 10
- General English 20 + Private GE 5
- General English 20 + Private GE 10
- General English 20 + Private BE / ESP 10
- Business English 20 mini group + Private BE / ESP 10

Additional private lessons may also be booked with combi courses.

(ESP) ENGLISH FOR SPECIAL PURPOSES

Courses are private or semi-private lessons designed by our qualified teachers to suit the student's specific profession. This is the quickest and most intensive way to learn and improve language skills in a particular area.

Teachers plan the lessons around the student's personal needs, just perfect for students who wish to make maximum progress within a short time.

We can provide specialised training in areas such as:

The Maltese Islands

What to see and do in Malta

Picturesque Beaches

Take a dip in Malta's crystal-clear waters or sunbathe on pristine sandy beaches. Spots such as Comino's Blue Lagoon or Golden Bay are very popular with tourists due to their postcard-like appearance and views. GV Malta's main school in St. Paul's Bay is close to the largest beaches in Malta, just one short bus ride away!

Diving Courses

Why not book a diving course in one of Malta's many PADI certified diving schools? Take the opportunity to see colourful coral and fish up close, visit old WWII shipwrecks, underwater caves and so much more!

Unique Culture

Malta has a rich history dating back to 5,000 BC, with Phoenician, Roman and Arabic influences. Discover Malta's history, charm, culture and mystery first-hand by visiting some of the oldest historical sites in the world and UNESCO world heritage sites such as the Capital City of Valletta, the Megalithic Temples and the Hal Saflieni Hypogeum.

Scenic Hikes

The Maltese islands offer hikers some of the most stunning views anywhere in the Mediterranean. Away from the resorts and urban areas of central Malta, there is a surprising amount of countryside, some left almost untouched by modernity. En route, one can come across mysterious, prehistoric sites, cave-chapels and secluded palaces of the Knights of St. John.
